Dog Adoption Application

Welcome to the Black Dog Animal Rescue adoption program. The following information is requested so we can assist you in the selection of a new dog. This form and a consultation with a BDAR representative are designed to help you find a dog most compatible to your lifestyle.

In order to be considered as an adopter you must:

- Be 21 years of age or older
- Complete this application in its entirety
- Have identification showing your present address
- Have the knowledge and consent of your landlord
- Be able and willing to spend the time and money necessary to provide training, medical treatment, and proper care for a pet.
- Be able to afford the standard \$150 adoption fee for all dogs
- Be willing to submit to a home visit prior to adoption.

Completion of this application does not guarantee adoption of a BDAR dog, neither does it commit you to an adoption should you be approved.

Thank you!
